INTELLECTUAL PROPERTY RIGHTS

All parts of this website belong to MITSUBISHI ELECTRIC R&D CENTRE EUROPE or its partners and individually or collectively constitute works within the meaning of the French Intellectual Property Code. You therefore undertake to respect these property rights and not to infringe them. You may only download, display or print data from this site for personal, non-commercial use. All copyright or proprietary right notices referred to herein must appear on all copies that you download.

You are not authorised to alter, transmit, use, re-use or re-display the contents of this site for public or commercial purposes, whether text, images, sound or video media without the prior written authorisation of MITSUBISHI ELECTRIC R&D CENTRE EUROPE.

This site may contain or refer to registered trade marks, patents, private data, technologies, products, processes, or other rights owned by MITSUBISHI ELECTRIC R&D CENTRE EUROPE and/or third parties. No licence or any other right over such property is granted to you.

¹ There is no longer an obligation to declare a website if it is a 'shop window' and not a trading site

INFORMATION

While MITSUBISHI ELECTRIC R&D CENTRE EUROPE uses its best endeavours to distribute accurate and up-to-date information on the site, it does not guarantee the site content which is provided 'as is'. It accepts no liability whatever for its provenance or in connection with the use of this site or its content. MITSUBISHI ELECTRIC R&D CENTRE EUROPE shall not be liable in particular for the accuracy, exhaustiveness, conformity or current relevance of data contained on the site. MITSUBISHI ELECTRIC R&D CENTRE EUROPE also disclaims liability for any damage or virus which might damage your computer equipment or resulting from accessing, using or browsing the site or downloading any data, information, text, image, video or sound.

Any communication or item sent by you to the site by e-mail or otherwise, whether data, questions, comments, suggestions or other will be regarded as non-confidential and confers no right upon you.

Anything transmitted or published by you will become the property of MITSUBISHI ELECTRIC R&D CENTRE EUROPE and may be used for any purpose including, but not limited to reproduction, disclosure, transmission, publication, broadcasting and display.

MITSUBISHI ELECTRIC R&D CENTRE EUROPE shall also be free to use any idea, concept, know-how or technique contained in any communication you send to the site, for any purpose including, but not limited to the development, manufacture or marketing of products using such data.

This site may contain data concerning all or some of the products and services of MITSUBISHI ELECTRIC R&D CENTRE EUROPE. Mention of a product or service on this site does not imply that such product or service is or will be available in your country.

ACCESS TO SITE

MITSUBISHI ELECTRIC R&D CENTRE EUROPE reserves the right to interrupt or suspend all or part of the functionalities of the site. MITSUBISHI ELECTRIC R&D CENTRE EUROPE shall not be liable for any interruption or suspension of all or part of the functionalities of its site, whether arising from any act or omission.

LINKS TO OTHER SITES

As MITSUBISHI ELECTRIC R&D CENTRE EUROPE has neither control over nor owns any site linked, or which may be linked to this site and is unable to guarantee the content of such sites, you acknowledge that MITSUBISHI ELECTRIC R&D CENTRE EUROPE shall not be liable for the content of "off-Site" pages, nor for other sites to which this site is linked. Any link with this site, the "off-Site" pages or with other sites, shall be your exclusive liability and without the authorisation of MITSUBISHI ELECTRIC R&D CENTRE EUROPE.

Links with this site are authorised exclusively for the Home page. Hypertext links shall not be authorised without the prior written consent of MITSUBISHI ELECTRIC R&D CENTRE EUROPE.

Use of this site by third-party sites or parts thereof is not authorised. "In-line" links or any other process designed to integrate parts of this site into third-party sites are also prohibited.

PROTECTION OF PERSONAL DATA

Undertaking as to security of personal data

The term "personal data" means information which identifies you such as your surname, forename, e-mail address and postal address. MITSUBISHI ELECTRIC R&D CENTRE EUROPE shall not use any personal data which you might communicate to it without your consent. In using such data, we undertake fully to observe international standards for protection of personal data. Thereafter we will ensure strict observance by our employees of security and confidentiality standards. The following clauses explain the methods for collection of your personal data.

Use of personal data

Most of our services do not require any form of recording, which enables you to visit our site without disclosing your identity. The data you send to or via our site is used exclusively for the purposes of your access and is processed confidentially. MITSUBISHI ELECTRIC R&D CENTRE EUROPE keeps your data for as long as necessary, while observing legal and ethical requirements for reporting or documentation storage purposes.

Non-disclosure of information

MITSUBISHI ELECTRIC R&D CENTRE EUROPE undertakes not to sell, share or disclose your personal data to third parties outside the Group to which it belongs.

Right of access

You have the right to access and update your personal data or to request its deletion, pursuant to Law n° 78-17 of 6 January 1978 concerning computerisation, files and freedom. We undertake to ensure that your personal data is updated, accurate and complete. If you wish to access or correct your personal data, please e-mail us using the contact form provided on the site. Your request will be dealt with as quickly as possible. Requests for deletion of personal data will be subject to legal and ethical requirements imposed on MITSUBISHI ELECTRIC R&D CENTRE EUROPE concerning reporting, archiving and storage of documents.

Security and Confidentiality

To protect the security and confidentiality of personal data which it receives "on-line", MITSUBISHI ELECTRIC R&D CENTRE EUROPE uses protected data networks, including a standard-compliant anti-intrusion system and a password. Access to personal data is limited to employees, on a need-to-know basis, who have received the necessary training to "manage" it correctly and strictly observe confidentiality standards. While we cannot guarantee the absence of loss, non-authorized use or alteration of data, we do as much as possible to avoid such situations occurring.

Anonymous data and "Cookies"

The majority of information collected by MITSUBISHI ELECTRIC R&D CENTRE EUROPE on its site is anonymous, such as the pages you visit and the searches you make. When you visit our website, we do not collect your personal data unless you have authorised us to do so.

MITSUBISHI ELECTRIC R&D CENTRE EUROPE uses anonymous information to optimise the content of its sites and to obtain global statistics about its users for internal and marketing purposes. MITSUBISHI ELECTRIC R&D CENTRE EUROPE may therefore activate "Cookies" which collect user preferences and record the time and date of access, so as to tailor its site according to user choices. These "Cookies" are also used to facilitate your access to our site. The "Cookies" alone cannot be used to obtain the user's identity. A "Cookie" is information sent to your browser and stored on your computer's hard disk. "Cookies" do not harm your computer. You may set your browser to inform you of receipt of a "Cookie", which enables you to decide whether you wish to accept it or not. You may also prevent these "Cookies" from being recorded by changing your computer settings using the instructions detailed on the CNIL website.

Relations with other sites

The undertaking to respect personal data only applies to the MITSUBISHI ELECTRIC R&D CENTRE EUROPE site, and excludes third party sites. MITSUBISHI ELECTRIC R&D CENTRE EUROPE may install "links" with other sites it believes may be of interest to its visitors. We endeavour constantly to ensure that such sites comply with the strictest standards. However, due to the nature of the global network, MITSUBISHI ELECTRIC R&D CENTRE EUROPE cannot guarantee the level of standards applied by each link it provides and therefore disclaims liability for the content of third party sites.

Contact MITSUBISHI ELECTRIC R&D CENTRE EUROPE

If you wish to ask a question, or make any claim concerning respect of personal data by MITSUBISHI ELECTRIC R&D CENTRE EUROPE or if you would like to make any recommendation or observation, please do not hesitate to contact us. Our contact details are available for this purpose.
